Re: Article X, Section 8: SMART Local Union 112 &  
Twin Tier Sheet Metal Contractors Assn.

Ladies and Gentlemen:

The National Joint Adjustment Board (NJAB) for the Sheet Metal Industry met September 11, 2017 in St. Louis, MO to hear the above-referenced matter.

Art Morrell and Ian Morrell appeared on behalf of the Association. Donald Kraft and Todd Burgess appeared on behalf of the Local Union.

A review of the record demonstrated that all procedural requirements had been met. The matter, therefore, was properly before the NJAB for decision.

Based on the record and testimony of the parties, the NJAB rendered the following unanimous decision:

The parties are before the Board for a wage re-opener covering years four and five of their current contract. The parties are directed to implement the following wage and fringe package increases:

5/1/2017	\$0.85
5/1/2018	\$0.90

Your attention is directed to the following language contained in the Procedural Rules of the NJAB under Article X, Section 8 (a):

“The unanimous decision of said Board shall be final and binding upon the parties, reduced to writing, signed and mailed to the parties as soon as possible after the decision has been reached.”
